

To all the boys.

To all the boys in the Queensland team going to Cairns, 'The Rayner Gang' wish you all the very best in each and every game you play.

Play this wonderful game of Aussie Rules with all the passion you have in your hearts, for yourselves for Marty and of course for Micky Matson who is doing it awfully tough at the moment.

We know it will feel a little different not having him there organising 'his boys' but enjoy every minute of each others company both on and off the field.

Upo you will once again be running around, this time minus your side kids Marty and Micky. Please take care of yourself, we know you will run - a muck.

No pressure "kick arse and bring home the trophy".

Luv Ya all
The Rayner Gang x x x.
